WANTED

PLANT THIEVES

Recently, Gunnedah Shire Council planted garden beds in Brock's Court as part of the Community Strategic Plan to create a vibrant CBD precinct.

Unfortunately, plant thieves struck on two occasions last week removing an estimated value of \$150 worth of plants from the gardens.

Council will be reviewing CCTV surveillance of the area.

We need your help to catch these green-thumbed bandits, if anyone has information regarding the incident, please contact Gunnedah Shire Council on (02) 6740 2100.
