

Certification - 'Clean Fill' from Residential Premises

LAST UPDATED 6 MAY 2019

Date:

SECTION 1 - APPLICANT DETAILS

I [full name]

Of [address]

certify that the waste, as set out in section 2 of this notice, is 'Clean Fill' as defined by Gunnedah Shire Council at the time in which the material is proposed to be deposited at an approved waste facility.

This certification is made on behalf of the waste generator *[fill out if applicable]*

Being [full name]

Of [address]

SECTION 2 - PROPERTY DETAILS

The waste was generated at the RESIDENTIAL PROPERTY:

Street Address:

Suburb: State: Postcode:

The amount of waste (by volume or weight) is:

SECTION 3 - 'CLEAN FILL' DETAILS

I have made the determination that the waste is 'Clean Fill' because:

- The material has come **from the residential property detailed above.**
- The waste is **not contaminated with manufactured chemicals, fuels or oils.**
- The waste **does not** contain **any other waste.**
- The waste **does not** contain **asbestos** in any form.

Note: that all sections of this form must be completed including all boxes checked in Section 3 above and signed below for any material to be certified as 'Clean Fill'.

SIGNED

Name of Applicant (print):

Signature: Date:

Warning: There are significant penalties under s.144AA of the Protection of the *Environment Operations Act 1997* for a person who supplies (whether knowingly or not) information that is false or misleading in a material respect about waste.

This certificate is intended to assist waste generators, contractors and/or receivers of waste materials to have confidence that a range of relevant factors have been considered in the classification of a waste material as 'Clean Fill' in accordance with Gunnedah Shire Council's definition and acceptance conditions.
