

ENGLISH AS A SECOND LANGUAGE WEBSITES—INTERMEDIATE

This is a list of some helpful websites compiled by Gunnedah Shire Library.

[Australia Network—Learn English](#)

This website has a collection of English language programs that can be watched, listened to, or read. There are also study notes, tips and activities for practice for all levels of English learners.

[Daily Grammar](#)

This website is 'a fun, convenient way to learn grammar'. There are 440 lessons and 88 quizzes and you can join up for the Daily Grammar lessons sent by email, or search the archives for exercises and answers.

[Dave's ESL Cafe](#)

A very busy ESL site, with information for teachers, students and 'everyone'! There are icons for Jobs, Photo Gallery, Announcements and a chat room.

[ESL-Lounge](#)

Reading, listening, vocabulary and grammar exercises for beginners through to advanced. Help to prepare for tests, the Learning Lounge app and games. Also companion [Teacher](#) page.

[English Works!](#)

Provides some useful reading strategies, practice stories and tests.

[ESL Blues](#)

This site has lots of quizzes, puzzles and games with feedback. The page looks boring but the exercises are interesting. It's for beginner/intermediate level English learners.

ENGLISH AS A SECOND LANGUAGE WEBSITES

[ESL Lessons and Help](#)

A website designed to help ESL learners understand how sentences are formed and exercises and quizzes to practice.

[ABC Learn English](#)

Free resources, including grammar, learning tips, English in Australia and specially created video courses.

[Everyday English](#)

This site has links for listening, free courses, tests and exercises.

[Randall's ESL Cyber Listening Lab](#)

This is an interactive listening site using Real Video. Sections include General and Basic listening quizzes, and 20 minute ESL vocabulary lessons. Each section is marked Easy, Medium and Difficult.

[Sounds of English](#)

This site's menu includes Links, handouts, English Pronunciation. Activities and Exercises, and Tips for teachers – everything to help the student learn correct pronunciation with detailed instructions.

[Talk English](#)

The aim of the website is to 'help you learn English speaking so you can speak English fluently. Improve your spoken English free!' Choices include English speaking basics, Regular English lessons, Business English lessons and Travel English lessons. There are useful instructions in twenty other languages to help students master the site.

[Uni Learning - Writing](#)

A University of Wollongong site which covers all aspects of Academic writing.
