

ESL: English as a second language – beginner level – some useful websites

### [Australia Network - Learn English](#)

This website has a collection of English language programs that can be watched, listened to, or read. There are also study notes, tips and activities for practice for all levels of English learners.

### [Daily Grammar](#)

This website is 'a fun, convenient way to learn grammar'. There are 440 lessons and 88 quizzes and you can join up for the Daily Grammar lessons sent by email, or search the archives for exercises and answers.

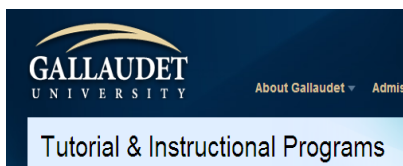

### [Dave's ESL Cafe](#)

A very busy ESL site, with information for teachers, students and 'everyone'! There are icons for Jobs, Photo Gallery, Announcements and a chat room.

### [English Listening Lounge](#)

There's a charge of 3\$ a month to access the information on this web site, and the emphasis is on listening to English.

### [English works!](#)

Provides some useful reading strategies, practice stories and tests.

## ESL BLUES

[ESL Blues](#) This site has lots of quizzes, puzzles and games with feedback. The page looks boring but the exercises are interesting. It's for for beginner/intermediate level English learners.

### [ESL Party Land](#)

A bright, colourful web site with English lessons and plans with games and quizzes as well as forums and discussions areas.

## ESL RESOURCE CENTER

*For learners and teachers of English*

### [ESL Resource Center](#)

From the home page, you can click on Lessons and Exercises, Information and Tools, and Resources and Links. The activities are interactive, and there are links to other websites.

### [Focus English](#)

“This site is dedicated to helping ESL/EFL learners develop conversational English skills.”

### [Randall's ESL Cyber Listening Lab](#)

This is an interactive listening site using Real Video. Sections include General and Basic listening quizzes, and 20 minute ESL vocabulary lessons. Each section is marked Easy, Medium and Difficult.

### [Sounds of English](#)

This site's menu includes Links, handouts, English Pronunciation. Activities and Exercises, and Tips for teachers – everything to help the student learn correct pronunciation with detailed instructions.

### [TalkEnglish.com](#)

The aim of the website is to 'help you learn English speaking so you can speak English fluently. Improve your spoken English free!' Choices include English speaking basics, Regular English lessons, Business English lessons and Travel English lessons. There are useful instructions in twenty other languages to help students master the site.
